1. Since the beginning of the season, hunting teams of the Transbaikalian Military District have organized expeditions into the "taiga" (Siberian forest), to lakes and rivers of the Transbaikalian regions. The Military Hunting Society carried out an expedition for study of unexplored regions of the Buryat-Mongolian ASSR. (☐ Comments: This seems to indicate that the Buryat-Mongolian ASSR is included in the Transbaikalian Military District.) 25X

2. A Red Star correspondent from the Kiev Military District referred to the House of Culture at Tivrov, Vinnitsa Province, as being in the territory of Kiev Military District. () Comment: It is thus assumed that the Vinnitsa Province is a part of Kiev Military District.) 25X

3. A report from the Carpathian Military District, dated 8 July 1948, described the visit of demobilized workmen from the Zhitomir Motor Repair Works in the name of Stalin to a guards unit. () Comment: The visit of demobilized personnel from Zhitomir - 50°15'N; 28°40'E - to a guards unit, which is no doubt stationed in the Carpathian Military District, indicates that Zhitomir Province is now a part of this district.) 25X1A
